Dear Maria Gabriela,

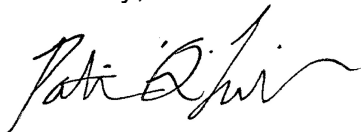

Congratulations! I am very pleased to inform you that you have been selected by the faculty of the Fiber and Material Studies program to receive the Joan Livingstone Fiber and Material Studies Merit Scholarship. This is one of the few Graduate awards presented by SAIC, and it is valued at \$111,600. The award will be applied per credit enrolled and supersedes any previous award.

This award only applies to your admission to the Master of Fine Arts in Studio program (60 credits / 2 years) and is not transferable to another degree program at SAIC. If you choose to withdraw your admission or defer your enrollment, this award will be forfeited. Students must also remain in good academic standing to continue receiving the award.

Due to the competitive nature of this award, we ask that you confirm your acceptance of admission and the Joan Livingstone Fiber and Material Studies Merit Scholarship no later than March 15, 2023. Failure to respond by this date will result in the offer being withdrawn. If you have not already done so, please submit your \$500.00 non-refundable tuition deposit. If you have any questions, please contact the Office of Graduate Admissions at 312.629.6100 (toll free at 800.232.7242) or gradmiss@saic.edu.

The Graduate Admissions Committee and the Faculty of the Fiber and Material Studies program extend their sincerest congratulations and commends you on your accomplishments. We look forward to meeting you this Fall 2023.

Sincerely,

Patrick 'Q' Quilao
Director of Graduate Admissions
